Albany Soroptimist News

By BEA RAYMOND

The regular meeting of the Albany Soroptimist Club was held at Carl's Restaurant Wednesday. We immediately plunged into our first step in winding up our affairs of the year.

A complete report was presented by all committees and I think even we, the various committee chairmen, were surprised and most gratified with what we had accomplished during the past year. Of course, May Ellis Olson was an outstanding leader and president. She worked so hard that the various committees would have felt like slackers if they had not done the work assigned to them.

After the committee reports, came the very important task of electing new officers. The election went off smoothly with no hair pulling or anything else that the men would expect from a bunch of women.

Officers elected for the coming year include Nell Moore, president; Edith Lennox, vice-president; Mary Carlevaro, recording secretary; Bernice Boyd, financial secretary; Ruby Kempe, corresponding secretary; Grace Higgins, treasurer; Minnie Lou Eakin and Kathryne Etingoff, directors; Dolly Nelson, delegate and ay Fritz as an alternate.

This is a fine bunch of officers. A number of them were charter members with considerable experience in Soroptimist, and all are extremely capable. We are looking forward to a pleasant and happy year. Perhaps we will entail a great deal of work, but we are just the gals who can take it.

Minnie Lou Eakin presented a very charming guest, Mary De Lancey, an old time friend. Both are from Missouri, "the show me state."

Rites Conducted For Mrs. Agren

Funeral services for Mrs. Margaret F. Agren, 63, 818 Key Route Blvd., who died Sunday in a Berkeley hospital, were conducted at 10 a. m. Wednesday at the Ellis-Olson Chapel with the Rev. Robert Benefiel of Community Methodist church and Albany Chapter No. 550, O. E. S., officiating.

A resident of Albany for many years, Mrs. Agren had been ill for the past month.

She was a member of Albany Chapter No. 550, O.E.S., and served as secretary of the chapter. She also belonged to the Albany Community Church, Circle No. 3 of the church, and the Albany Star Sewing Club.

Mrs. Agren was a native of Windsor, Calif.

Survivors are her husband, Arthur L. Agren; a daughter, Mrs. Evelyn M. Moellman of El Cerrito; two sisters, Mary L. Graves of San Francisco and Adelaide C. Byrn of Windsor; a brother, Joseph C. Pohley of Santa Rosa and a granddaughter, Diane Moellman.

Housing Manager Gives Village Survey Report

David Kinkead, manager of Codornices Village Housing Project, was guest speaker last Wednesday evening at the regular meeting of Codornices P.T.A. at the school.

Presenting information and figures gathered in a recent survey of the village, Kinkead said that Codornices was one of the few war expenditures that has paid back over and above actual cost.

Figures from Kinkead's survey showed a total population of 8000 composed of 1855 families. Of the grand total 2434 are children between the ages of birth and 14 years, with 411 from 14 to 20 years.

A survey on employment shows only two percent were employed in Albany while the majority of residents work in Berkeley, Oakland, and San Francisco respectively.

Average weekly income per family is $54 totaling over five million dollars a year.

Other figures indicated that 73 percent of the men are veterans, 22 percent laborers, 15 percent white collar workers and five percent are professional men.

Sixteen percent of the total population were born in California and 30 percent have resided in the Village eight years or more.

The starting flag is up for these Albany youngsters who are anxious to compete in the San Francisco Soap Box Derby on July 23 with a chance to compete in the national finals in Akron, Ohio. Rule books, entry blanks and plan books were outlined by Al Hackim and John H. Fahy, standing left to right, at a Derby Get-Together last Friday evening. Co-sponsored by Chevrolet dealers and the San Francisco Chronicle, the derby is open to all boys 11 to 15, inclusive. The Albany Junior Chamber of Commerce is cooperating with the local Chevrolet company in obtaining sponsors for boys who may need assistance. PHOTO BY FRED LENNOX

15 Local Students Get 'Leave of Absence'

One Albany High School student was expelled and 14 others were suspended until June 3 by the Board of Education Tuesday night after hearing evidence of drinking on the annual senior "ditch day" program on May 18.

Students suspended will be prohibited to participate in senior social functions, including the senior play, banquet and junior-senior ball, the School Board ordered in a unanimous decision.

The expelled senior had been guilty of drinking at two previous school functions, Board Members said.

In a special report submitted to the Board by Charles A. Moore, principal of Albany High School, it was disclosed that approximately 100 students made the trip to Adobe Lodge in buses provided by the school. The report said it was impossible for four teachers to provide constant supervision over students at all times. He pointed out that "high school seniors are assumed to be responsible individuals and that considerable freedom exists."

Prior to this date, according to Moore's report, he appeared before a class meeting and told them what was expected in the way of conduct. More said he placed specific emphasis on the fact that the use of alcoholic beverages in connection with school affairs was a violation of the Educational Code.

Teachers accompanying the group reported on return that some students had been drinking, and according to Moore, an investigation was immediately begun. All students at the picnic were questioned and those suspended admitted that they had been drinking. There was, however, considerable variance in the degree of drinking.

The board acted over the protests of several parents of the suspended students, who requested the board to "reconsider" its ruling.

Parents of all suspended students have been advised that they will be permitted to graduate upon completion of the required courses.

O'Leary said no examinations for patrolmen will be held at this time.

A three dollar filing fee is required and information on application forms and exams will be available at the City Hall on May 31.

Mrs. Hanson was selling souvenirs in Pompeii at the time she met the man she later married. Hanson

Petitions May Halt Meters

Petitions circulating about Albany to halt the installations of parking meters brought the controversial discussion back before the City Council Monday night, with Councilmen considering possible action in defense of the ordinance passed last week.

Petitions being circulated under direction of Mrs. Kathie Zahn, 907 Santa Fe Ave., suggest that the matter be placed before the voters at the next general election.

Attacking an advertisement placed in the Albany Times last week over the signature of Mrs. Zahn, Councilman Frank Hays said some of her statement were untrue.

"You had better tell the truth," Hays said.

"I always tell the truth," Mrs. Zahn replied. "You should know that Mr. Hays."

"There are some misstatements in this ad," Hays said, "and I wonder if it wouldn't be a good idea to answer it. I believe the City should put an ad in the paper."

Following the meeting, City Attorney George Glavinovich told Councilmen that in his opinion it would be illegal for the City to pay for such an ad. Hays then suggested that some Councilmen or other interested parties might be willing to contribute personally to run an ad.

If the petitions contain the required signatures of registered voters within 30 days from last Friday, the Council will have to rescind action on the meter ordinance, or place the decision before the voters.

The advertisement signed by Mrs. Zahn said the Council took action on the parking meter ordinance before receipt of a report on a traffic survey requested from a University of California student, and pointed out that the survey only recommends meters in a small area centering around the San Pablo and Solano Ave. intersection. She pointed out that the present ordinance calls for installation of meters from the Berkeley to El Cerrito city limits on San Pablo and from Adams St. to the Berkeley line on Solano Ave.

Councilmen said the new ordinance doesn't necessarily mean parking meters will be installed throughout the authorized areas. They will be installed on a trial basis only in those areas where they are needed.

Mrs. Myrtle Gros Bryan of Albany is one of the graduates who will be honored at the June 4 Homecoming of San Jose State College alumni.

Kay Hill is still undecided if it was wise in giving daughter Beverley a television set on her 14th birthday. All's quiet on the home front until the Mayor tunes in channel 5 to view the KO's and knockouts from the fight arena, when at the same time, Beverley fikes the Supper Club on channel 7.

Jack O'Leary and Art Smith also celebrated birthdays Monday with cake and all the trimmings. No one knows for sure, but O'Leary was estimated to be the same age of Jack Benny, 39 plus that is.

Fireman Dick McSheehy joined the "life must go on after 40" group this week. Reversing the old cake-giving tradition, Albany firemen have to buy and serve their own cake. Dick received numerous "lilly and old lace" sympathy cards from well-wishers.

As an added convenience to local shoppers, Joe Villa opened his new produce and delicatessen department this week housed in the new 50 foot extension on Store No. 5 at 747 San Pablo Ave. The latest in equipment has been installed to simplify the self-shopping service.

Lloyd "Pete" Peterson, long time associate of Villa, will leave Sunday for San Mateo where he will take over the management of a super market. Pete and Mrs. Pete recently completed their new ultra-modern home near San Mateo and expect to move in early next week.

Albany Rotarians were among the 200 present at El Cerrito's Charter Night Monday meeting at the Kona Club. District governor Al Tisch presented the charter to 20 members with Al Hackim, governor elect, as master of ceremonies. The

No more will they answer the call to arms . . . no more will they heroic deeds do! For they slumber on in eternal peace amid the clover on American soil. . . . the poppy fields of Flanders . . . the terrains of Pacific isles!

We are reminded of the debt that all of us owe to them . . . a debt to be paid not only with monuments and wreaths, but with our determination to perpetuate and protect the way of life for which they fought so valiantly.

On Memorial Day, let us honor the war heroes by pledging to do our part to create an America and a World worthy of their sacrifices.

As A People
We Do Not
Forget

We Americans are a sentimental people. Decoration Day is a truly American institution; a day conceived by Americans and accepted by Americans as a day devoted to the memory of all who have passed on, but particularly to those who have worn an American uniform in time of war.

Place ham, uncovered, in moderate oven (325° F.) and roast until done. It will be done when thermometer registers 185° F. Allow about 40 min. per pound for roasting. When almost done, remove from oven, and take off rind (if not already removed). Score fat in diagonal lines, stick with whole cloves, rub surface with brown sugar-mustard mixture. UNDER EAGLES' WINGS

THEIR FUTURE SAFEGUARDED—Among the 1,250 boys and girls whose future health and education are under the sponsorship of the Fraternal Order of Eagles are Margaret Anne, 7, and Catherine, just turned 6, daughters of Pfc. William J. Starkey, of Rochester, Minn., member of the Eagles who died in Germany as a prisoner of war in 1945. The Memorial Foundation of the Eagles, whose chairman is Judge G. A. Farabaugh (inset), of South Bend, Ind., is now campaigning to increase the $3,000,000 now on hand to safeguard the future welfare and opportunities for the sons and daughters of 3,123 members who died in World War II. To provide the necessary needed money for the increased demands on the Foundation, the 1,500,000 Eagles are now purchasing, in large numbers, the special commemorative poster seal illustrated above, to perpetuate a "living memorial" to the dead American heroes.
